David,

Thanks for this.

This looks like it's only closures for 1 hour after the games to facilitate egress out of the lots which is good.

No street closures before games right?

Once you finalize this, let me know and I'll have our team distribute to businesses.

Aaron

Is 39th street going to be open for all traffic again?

All - I know you may already be working with USC football and transportation folks on the street closure schedule for USC football on Saturday and Los Angeles Rams on Sunday, but attached is the latest street closure plan. Bryce - I am not sure if our folks have shared this with you, but I know they are working with City DOT.
